Information for Contributors

Manuscripts should be submitted in triplicate to *German Politics and Society*, Managing Editor, BMW Center for German and European Studies, Georgetown University, ICC, Suite 501, 37 and O Street, N.W., Washington, D.C. 20057-1022 or via email to gpsjournal@georgetown.edu. If you would like your manuscripts returned to you, please include a self-addressed stamped envelope.

Articles usually run between 15 and 20 double-spaced pages (3,000 to 4,000 words); review articles between 8 and 10 pages (1,500 to 2,000 words); book reviews between 4 and 8 pages (750 to 1,500 words). The manuscript should be typewritten, double-spaced, on one side of the page only, with ample margins. All articles and forum pieces undergo a double-blind peer-review process. We make every effort to inform authors of the referees' verdict within two months of submission.

Notes should be kept to a minimum. We strongly discourage the use of internal notes accompanied by a list of sources. We use endnotes rather than footnotes and prefer manuscripts to be submitted accordingly. Our notation format follows the *Chicago Manual of Style*.

We prefer articles to be submitted in English. On extremely rare occasions, we will consider translating German-language submissions.
